Additional information on the convocation of the meeting

1. Total number of shares and votes

At the time of the convocation of the meeting, the share capital of the Company amounts to EUR 294,492,460.00. It is divided into 58,898,492 registered shares with no par value. Each share confers one vote. The total number of votes is thus 58,898,492. At the time of the convocation of the meeting, the Company holds none of its own shares.

2. Requirements for participation and voting in the Annual General Meeting

According to article 19 (1) of the Articles of Association of the Company, only shareholders who have registered for the Annual General Meeting and are entered in the share register are entitled to participate and vote in the Annual General Meeting. The registration must be received by the Company in writing **at the latest by midnight (24:00 hours CEST) on 10 May 2019** at the following address.

ProCredit Holding AG & Co. KGaA

c/o Computershare Operations Center

80249 München

or by fax: +49 89 30903-74675

or by e-mail: anmeldestelle@computershare.de

Credit institutions, shareholders' associations as well as persons, financial service institutions or companies holding analogous rights pursuant to section 135 (8) or section 135 (10) AktG in conjunction with section 125 (5) AktG, may exercise voting rights for shares they do not hold but with respect to which they are registered in the share register as owner, only pursuant to a written authorisation.

When registering, the shareholders may use the registration forms they received with the invitation. Upon receipt of each registration, the registration service provider issues tickets to the shareholder, enabling them to participate in the Annual General Meeting, as well as a form for granting proxies and authorising the exercise of voting rights. In order to ensure that the tickets are received on time, the shareholders are asked to submit the registration as early as possible. Unlike to the registration process, however, the tickets are not a precondition for attendance; they merely simplify the preparation and conduct of the Annual General Meeting. We ask for your understanding that a maximum of two tickets can be issued per shareholder.

Registering for the Annual General Meeting has no impact on the transferability of the respective shares. Note that with respect to the Company, only those registered as such in the share register shall be considered shareholders (section 67 (2) sentence 1 AktG). Therefore, the status of registration in the share register on the day of the Annual General Meeting is decisive for determining the right to participate and the number of votes.

It should be noted that for organisational reasons, during the period from the midnight (00:00 hours CEST) which marks the beginning of 11 May 2019 until the midnight (24:00 hours CEST) which marks the end of 17 May 2019, there will be a moratorium on creating or removing entries in the share register, meaning that no changes will be possible during that time. All holders of shares who have not yet been entered into the share register are thus asked to submit, as soon as possible and in their own interests, any requests for entries to be made.

3. Procedure for voting by proxy

General regulations

The shareholders may exercise their voting rights in the Annual General Meeting via proxy, such as through the bank operating the depot account, a shareholders' association, the voting representative appointed by the Company, or another representative as selected by the shareholder. Timely registration shall also be required in these cases (see II.2. above).

Issuing a proxy is allowed both before and during the Annual General Meeting. When issuing proxies, authorisation can be declared towards the party upon whom authority is to be conferred or towards the Company. If the shareholder authorises more than one person, the Company may reject one or more of them. The granting of a proxy, its revocation and the proof towards the Company have to be in writing.

A form for issuing proxies and instructions for the Annual General Meeting is sent together with the tickets and is also available for download on the Company's website (www.procredit-holding.com) under "Investor Relations/Hauptversammlung – Annual General Meeting".

Upon request, each person with voting rights will be provided with such forms for proxies and instructions.

Proof of the right to vote can be provided on the day of the Annual General Meeting by presenting the proxy at entry/exit control, or beforehand by sending the proxy via post, fax or e-mail to one of the addresses below:

ProCredit Holding AG & Co. KGaA

c/o Computershare Operations Center

80249 München

or by fax: +49 89 30903-74675

or by e-mail: procredit-hv2019@computershare.de

The addresses above may also be used if the proxy is to be issued to the Company; separate proof of authorisation is not required in this case. Revocation of a proxy which has already been granted can be performed by notifying the Company directly using the addresses above.

Authorisation of credit institutions, shareholders' associations, and persons or institutions with analogous rights

For the authorisation of credit institutions, shareholders' associations, and persons or institutions with analogous rights pursuant to section 135 (8) and (10) AktG, the special provisions of section 135 AktG, and particularly those pertaining to the manner of granting proxies, shall apply. To the extent that they exist, any provisions issued by credit institutions, shareholders' associations, and other persons and institutions with analogous rights shall, if applicable, also be observed. The shareholders are asked in such cases to co-ordinate in a timely manner with the party to be authorised due to the latter's possible formal requirements for the authorisation.

Authorisation of voting representatives of the Company

The shareholders may, in accordance with their instructions, authorise their voting rights to be exercised in the Annual General Meeting by the voting representative appointed by the Company.

Instructions may only be issued with regard to the resolution proposals of the General Partner and of the Supervisory Board, and to proposals published on the basis of a demand by a minority pursuant to section 122 (2) AktG or as a counter-motion pursuant to section 126 (1) AktG or a nomination proposal pursuant to section 127 AktG.

Voting representatives are obliged to vote as instructed; they shall not exercise voting rights according to their own discretion. In the event that an individual vote is to be taken on an item on the agenda, the instructions pertaining to said item shall likewise apply to each individual sub-point. Voting representatives shall not accept any instructions or orders pertaining to verbal contributions, filing objections against resolutions of the Annual General Meeting, making motions on procedure, or submitting questions or making motions.

Shareholders who would like to use this means of voting representation before the Annual General Meeting are requested to send the proxy and instruction form, filled out accordingly, **by midnight 16 May 2019 (24:00 hours CEST)** if possible to one of the following addresses:

ProCredit Holding AG & Co. KGaA
c/o Computershare Operations Center
80249 München
or by fax: +49 89 30903-74675
or by e-mail: procredit-hv2019@computershare.de

The possibility to authorise and issue instructions to the voting representative appointed by the Company shall continue to exist in the Annual General Meeting until the start of the voting.

Each item shall be accompanied by an explanation or a draft proposal.

The demand is to be made in writing and addressed to the General Partner of the Company; it must be received by the Company at the latest by midnight (24:00 hours CEST) on 16 April 2019 at the following address:

ProCredit Holding AG & Co. KGaA

Section 70 AktG shall apply when calculating the period of share ownership. Section 121 (7) AktG shall also be applied accordingly.

Additions to the agenda which are subject to disclosure shall, unless announced upon calling the Annual General Meeting, be published immediately upon receipt of the demand and in the same manner as the convocation.
