How are shareholder data corrected in the share register?

Is the data entered for you in the share register inaccurate, such as an incorrectly spelled name, a name change or a move? In these cases, please inform your custodian bank directly. Only this can lead to a correct entry in the share register.

Is data protection ensured?

Your personal data stored in the share register is used for the purpose of properly maintaining the share register and correctly conducting the meeting. Should you have given authorisation for further use, for example for investor relations information, your data will also be used for this purpose.

For details on the handling of personal data and the rights under the General Data Protection Regulation (GDPR), please refer to the website of the Company at <https://www.procredit-holding.com/data-protection/> or the invitation to the Annual General Meeting published in the Federal Gazette respectively.
