The aim of the Company is to support and manage all financial institutions in which it invests and to ensure that the ProCredit Group achieves a sustainable return on the capital employed over the long term, whilst at the same time achieving and maintaining a high degree of impact orientation towards the target group. In particular, the Company's business activities aim to ensure that the institutions in which it invests (i) provide responsible and transparent banking services to small and medium-sized enterprises as well as to private individuals in the countries in which these institutions are active and thereby, to the extent possible, positively contribute to economic, environmental and social development, to job creation and to the facilitation of investments in green technologies to mitigate climate change; (ii) are well-managed and commercially sustainable, and in doing so attach high value to staff development; and (iii) conduct their business in accordance with applicable law, the standards of good banking practice and with due regard for their social responsibility and refrain from activities that the Company deems unethical or damaging for clients, the economy or the society.

II. **Share Capital and Shares**

Article 4 Amount of Share Capital and Division into Shares

- (1) The share capital of the Company amounts to EUR 294,492,460.00 (in words: euros two hundred and ninety-four million four hundred and ninety-two thousand four hundred and sixty).

The share capital was paid up in the amount of EUR 294,492,460.00 (in words: euros two hundred and ninety-four million four hundred and ninety-two thousand four hundred and sixty) by means of the conversion of ProCredit Holding AG & Co. KGaA with its registered office in Frankfurt am Main, registered with the commercial register (*Handelsregister*) of the local court (*Amtsgericht*) of Frankfurt am Main under HRB 91858, into a stock corporation (*Aktiengesellschaft – AG*) pursuant to sections 190 et seqq. of the German Transformation Act (*Umwandlungsgesetz – UmwG*).

- (2) The share capital is divided into 58,898,492 non-par value shares.
- (3) The management board is authorised, with the consent of the supervisory board, to increase the Company's share capital until the end of 4 June 2028, once or in several smaller amounts, by a total amount of up to EUR 29,449,245.00 (in words: euros twenty-nine million four hundred and forty-nine thousand two hundred and forty-five), by issuing up to 5,889,849 new registered non-par value shares against contributions in cash and/or in kind (Authorised Capital 2023).

Shareholders will generally be granted subscription rights. The new shares may be acquired by one or more credit institutions or companies within the meaning of section 186 (5) sentence 1 AktG insofar as they accept the obligation to offer them to the Company's shareholders for subscription (indirect subscription rights).

However, with the consent of the supervisory board, the management board is authorised to exclude shareholders' subscription rights for one or more capital increases in connection with the Authorised Capital 2023:

- (a) to exclude fractional amounts from the subscription right;
- (b) if the Company's shares already issued are listed on a stock exchange at the time this authorisation is exercised, in case of a capital increase against cash contributions, if the issue price of new shares is not significantly below the stock exchange price of the Company's shares already listed at the time the issue price is finally determined. This authorisation is subject to the proviso that the total calculated proportion represented by the shares

issued with an exclusion of the subscription right pursuant to section 203 (1) and (2), section 186 (3) sentence 4 AktG in the Company's share capital must not exceed a limit of 10% of the share capital neither at the time this authorisation becomes effective nor – if this amount is lower – at the time this authorisation is exercised. This limit of 10 % of the share capital includes shares which (a) are issued or sold during the term of this authorisation until the time it is exercised, by direct or analogous application of section 186 (3) sentence 4 AktG, as well as (b) are issued to fulfil subscription rights or to fulfil conversion obligations under convertible bonds and/or bonds with warrants, profit participation rights and/or participating bonds (or combinations thereof) (together Debt Securities), to the extent that the relevant Debt Securities are issued with the exclusion of shareholders' subscription rights after this authorisation becomes effective by analogous application of section 186 (3) sentence 4 AktG; or

- (c) in the case of a capital increase against contributions in kind, including in particular for acquiring (directly or indirectly) undertakings, operations, parts of undertakings, interests or other assets or entitlements to the acquisition of assets, including claims against the Company or its group companies.

The management board is authorised, with the consent of the supervisory board, to determine the further details of the capital increase and its implementation; this also includes determining the dividend rights of new shares which may also be declared, notwithstanding section 60 (2) AktG, for a financial year already ended. However, the authorisation does not entitle the management board to create new classes of shares.

The supervisory board is authorised, after using the Authorised Capital 2023 or after expiry of the period for using the Authorised Capital 2023, to amend the articles of association accordingly.

Article 5 Share Certificates

- (1) The shares are registered shares.

The Company may issue certificates for individual shares (single-share certificates) or for more than one or all shares (multiple-share certificates). Additionally, the shareholders are not entitled to the issuance of dividend and renewal coupons.
